Policy:

1. Under the AODA, Ontario Regulation 191/11, entitled, Integrated Accessibility Standards Regulation, [the "IASR") came into force July 1, 2011. The regulation establishes accessibility standards for Information and communications. Children's Mental Health Services is included in the regulation's definition of an "obligated organization" and must comply with the feedback requirements of the regulation beginning January 1, 2014.
2. Upon request, Children's Mental Health Services will provide or will arrange for the provision of accessible formats and communication supports in its feedback processes to ensure that these processes are accessible to persons with disabilities in a timely manner.
3. Children's Mental Health Services will notify the public about the availability of this feedback process in accessible formats and with communication supports.
4. Children's Mental Health Services encourages and appreciates feedback and comments on the manner in which it provides its information and communications to people with disabilities.

Purpose:

1. The purpose of this Statement of Policy and Procedures is to ensure that the processes for receiving and responding to feedback are accessible to persons with disabilities by providing or arranging for the provision of accessible formats and communications supports upon request.

Scope

1. This policy applies to Children's Mental Health Services clients, employees, students and any contractors and subcontractors engaged by Children's Mental Health Services.

Responsibility

1. Managers are responsible for ensuring that all employees follow the guidelines set out in this policy.
2. Each manager is responsible to ensure all employees are trained under the Accessibility Regulations and Standards under the AODA, the Human Rights Code and all related policies, Practices and Procedures.
3. All employees, students, contractors and subcontractors, and any other person acting on behalf of Children's Mental Health Services.

Definitions:

1. "Accessible formats" may include, but are not limited to, large print, recorded audio and electronic formats, Braille and other formats usable by persons with disabilities.
2. "Accessible information and communications" means considering accessibility and all ability levels when planning information and communications and giving people adequate time to process and reply to information provided.
3. "Accommodation" means the special arrangements made or assistance provided so that persons with disabilities can participate in the experiences available to persons without disabilities. Accommodation will vary depending on the person's unique needs.
4. "Communication supports" may include, but are not limited to, captioning, alternative and augmentative communication, plain language, sign language and other supports that facilitate effective communications.
5. "Communications" means the interaction between two or more persons or entities, or any combination of them, where information is provided, sent or received.
6. "Dignity" means that service is provided in a way that allows the individual to maintain self-respect and the respect of other persons.
7. "Disability" means:
 - Any degree of physical disability infirmity, malformation or disfigurement that is caused by bodily injury, birth defect or illness and, without limiting the generality of the foregoing, includes diabetes mellitus, epilepsy, a brain injury, any degree of paralysis, amputation, lack of physical coordination, blindness or visual impediment, deafness or hearing impediment, muteness or speech impediment, or physical reliance on a guide dog or other animal or on a wheelchair or other remedial appliance or device;
 - A condition of mental impairment or a developmental disability;
 - A learning disability or a dysfunction in one or more of the processes involved in understanding or using symbols or spoken language;
 - A mental disorder;
 - An injury or disability for which benefits were claimed or received under the insurance plan established under the Workplace Safety and Insurance Act, 1997;

The foregoing definition includes disabilities of differing severity, whether visible or non-visible and whether temporary or permanent in nature.

Definitions continued:

8. "Equal opportunity" means that service is provided to individuals in such a way that they have an opportunity to access goods or services equal to that given to others;
9. "Independence" means when a person is able to do things on their own without unnecessary help or interference from others;
10. "Information" includes data, facts and knowledge that exists in any format, including text, audio, digital or images and that conveys meaning;
11. "Integration" means that service is provided in a way that allows the individual to benefit from equivalent;
12. "Internet website" means a collection of related web pages, images, videos or other digital assets that are addressed relative to a common Uniform Resource Identifier (URI) and is accessible to the public;
13. "Reasonable efforts" means taking approaches that meet the required needs of the individual;
14. "Web Page" means a non-embedded resource obtained from a single Uniform Resource Identifier (URI) using Hypertext Transfer Protocol (HTTP) and any other resources that are used in the rendering or intended to be rendered together with it by a user agent.

Procedures:

1. Children's Mental Health Services has developed a process and form for customers and the public to provide feedback on how the organization is providing accessible information and communication that meets their needs. That process includes how we respond to such feedback in a timely manner.

The process consists of the following:

- Information will be posted at our offices and placed on Children's Mental Health Services website inviting users of its services or the public to provide feedback on their experience with or concerns about the information and communications system/platform including all types of agency documentations received or used.
 - Printed information is available inviting people with disabilities to provide feedback on their experience or concerns about the accessibility of Children's Mental Health Services information and communications system/platform and documentations used. The accessible information and communication system/platform feedback form is used for that purpose. This form can be emailed, faxed, mailed and submitted online.
 - Those wishing to make feedback comments can do so:
 - Electronically (by email) at cmhsblvl@cmhs-hpe.on.ca
 - In person and verbally, at our geographic offices
 - By telephone at 613-966-3100
 - Via the organization's website www.cmhs-hpe.on.ca
 - In any other format necessary that meets the need of the person with a disability
2. Regardless of which process is used to provide feedback, the feedback form will be used to record and track feedback. The form will either be filled in directly by the person providing the feedback or by the person receiving the feedback.
 3. Employees must ensure these requests are dealt with immediately. Some feedback may, however, require more time to address and may need to be reviewed before an action is taken.
 4. Children's Mental Health Services will respond to the feedback using the same format in which it was received.
 5. Children's Mental Health Services will not impose any additional charge for information provided in accessible formats in excess of the regular cost charged to other persons.

Procedures continued:

6. Children's Mental Health Services will levy an additional cost for the provision of communication supports needed to access information in accessible formats. The price of these costs will be posted on the agency website at www.cmhs-hpe.on.ca
7. Employees must record and retain all feedback received and note when it was submitted, how it was submitted, who received the feedback, what was requested, when and how it was dealt with, by whom and when, and if the feedback was dealt with to the satisfaction of the customer.
8. This policy has been developed to provide accessible services for clients with disabilities. If any member of the public has a question about this policy, or if the purpose of the policy is not understood, an explanation will be provided by contacting the Executive Director or designate. This policy is available in an alternative format upon request.
9. This policy will be available on the Agency's website and at the reception area.
